For origin, let there be silver and iron.

Let there be gem and the archduke of contracts as the basis.

An offering of color is red.

The coming down wind should face the wall.

The four gates close, which must come from the earth,

the three-forked road that leads to the kingdom circulates.

Shut it (fill it). Shut it (fill it). Shut it (fill it). Shut it (fill it). Shut it (fill it).

Repeat them five times.

Simply, shatter once filled.

I announce.

Thou art to serve me, and my fate is to rely on your sword.

In the name of Holy Grail, answer me if you are to follow my wishes and rules.

Here is my oath.

I am the one who becomes omnipotent.

I am the one who hold down all the evils.

Thou art the seven heavens bearing the spirit of words,

come here, from the ring of deference, as the keeper of the balance!
