

There were several characters in the trailer.

For now, Orleans, Shield Girl and I are confirmed.

What sorts of Heroic Spirits will appear?

And so, the ads have started.

It's finally time for us to step into the limelight!

I'm getting fired up thinking about the Heroic Spirit gacha!!!

Uncle?!

Besides that, people are predicting that Caligula will show up.

It's so haaard. I'm already confirmed. It's so haaard being Golden.

you listening to me?

Hey,

I'll finish it as a F2P Player.

What the hell is this shitty game?

It seems you two won't be in it.
