

What
"companion
manga" was
this supposed
to be again?

I'm waiting for a
"Strange Tales of
the Holy Grail"
crossover event...
Sent.

Guess
I'll play
Pazu_ra.

The Great Avatar of Touhou
won't forgive you if you
don't employ the excellent
Sakura Saber-san
who's basking in the
glory of her new figurine!!!

Just the sort
of knowledge
I'd expect from
TYPE-MOON's
Cash Cow!

The admins
gave me
something
to share
with you.

Please
relax.

That's dirty!
I knew you
played dirty,
Satsuma and
Choshu!

Those Damn
FGO admins!
I see how
it is!

You'll be hired
if pre-registrations
hit 100 million
people.
