

But it's not even out yet!

If we're talking about phone games, we've gotta have a crossover!

ガァッアア

It's chimplly crossover time!

バァアア

That's the only choice!?

Legend of the Galactic Heroes

Legend of the Galactic Heroes

So, what do you want to have a crossover with?

Rider-san!?

Müller the Iron Shield, please!

Variant acute collagen syndrome!?

"Nobunaga Doesn't Return" (feat. Honnouji)
