

I've seen it a lot in the movies, but what's the point of this?

Meanwhile, Nobu was forced to toil away at harsh labors in the other world.

≠" ≠" ...

That's right, you did it, Nobu!

Aren't you that senpai from the other world, Diarwhatsit-kun!?

Good news, Nobu! Pre-registrations are going extremely well.

We might reach 500,000.

corporate drones they are!!!

Damn them! So that's the kind of

so it looks like they aren't going to count those.

Well, lately there have been a huge number of strange connections coming in from overseas,
