

I want to take a vacation!

Is this Yoshi-tsune!?

Probably!

And, we have a new Rider!

GUDAGUDA Order is still updating over Golden Week!

That... loincloth? Might be a bit much...

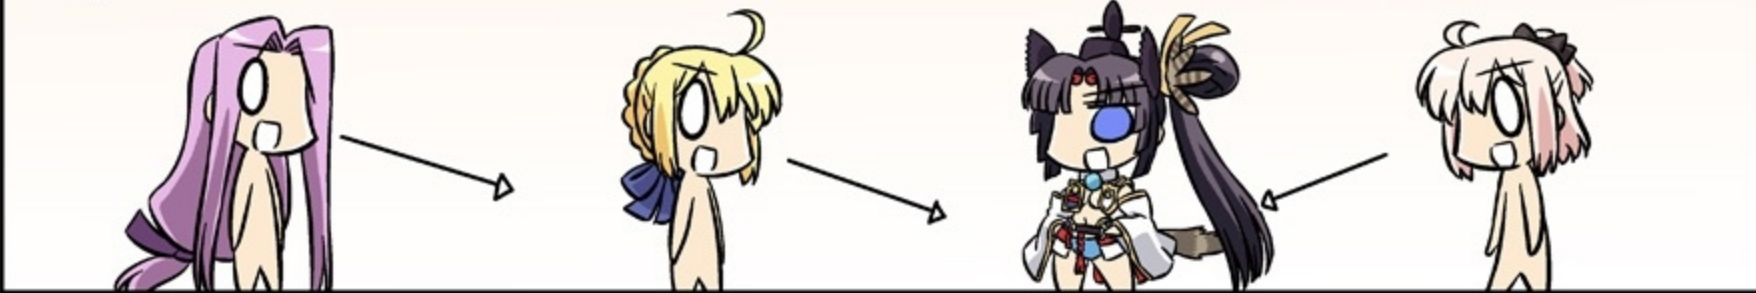

That'd be the Heike clan.

She's a pervert...

Has Akushi-chibyoe Kagekiyo arrived!?

Looks like the Genji and Heike will be fighting demons.

She's a pervert...

They're hand-me-downs from my sisters.

Well, our Rider's clothes are rather perverted as well-

Because I'm a genius!

She's a pervert!!!
