

Nobu punched our important guest!

Not you!

CV: Shimazaki Nobunaga

M

NOBUNAGA ARCHER HAS ARRIVED!!!

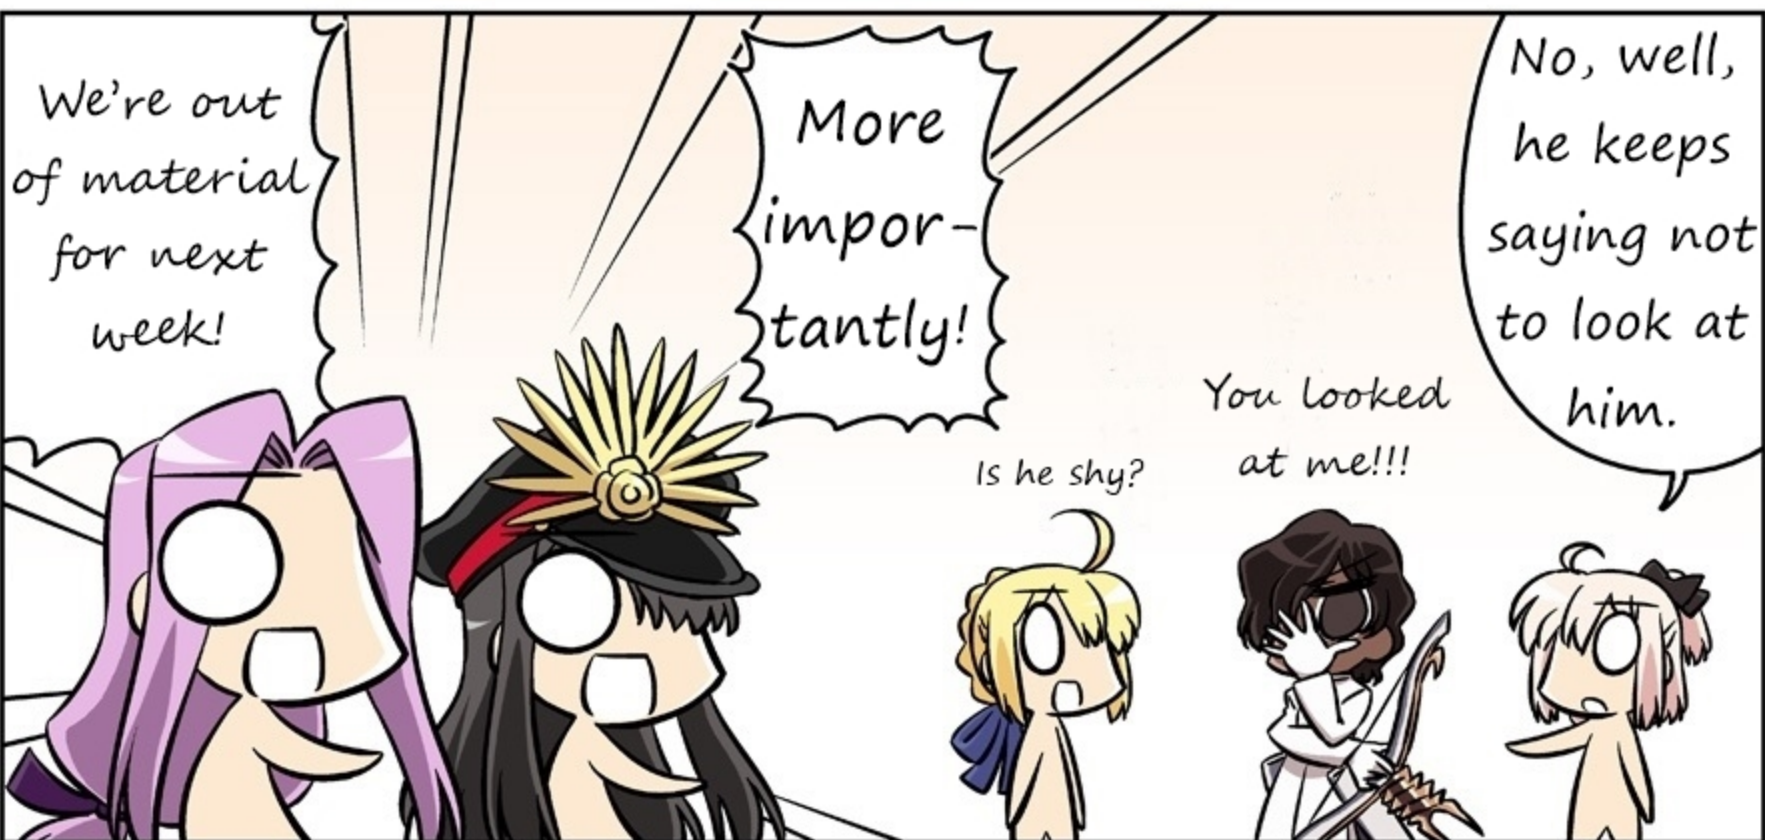

Please talk about the new character!

And don't suddenly come back to life!

Apologize to Shimazaki-kun!

But I'm Nobunaga Archer!

We're out of material for next week!

More importantly!

Is he shy?

You looked at me!!!

No, well, he keeps saying not to look at him.
