

They damage their own images like this.

Honestly, I can't believe that FGO will pass Apple's check!!

We don't know!!

Finally, we only have two weeks until FGO's release!!

Apple?

Don't worry

Will we start a 'Nausicaä style' communication with this kind of looks-like-a-dog animal?

If FGO doesn't start in two weeks, our GUDAGUDA level will be at breaking point, in the red zone.

That child is a human!!

Anyhow, Gudaao will still continue!!

What, again!!

Gudaao will end after two more comics

munch
